BELLE PLAINE PUBLIC SCHOOLS

PROJECT PROGRESS REPORT

October 2026 Update

WHAT'S NEW?

The Middle/High School additions and renovations project has reached the bidding stage, with approximately 77,000 square feet of new construction and 25,000 square feet of interior renovations planned. Construction is scheduled to kick off in spring at the current Oakcrest site to convert the building into the Middle/High School. The project includes a new competition gym, fitness room, locker rooms, auditorium, music rooms, science labs, and Career and Technical Education (CTE) shops.

PLANNING & DESIGN UPDATE

With design work complete, the team is moving through the remaining reviews and submissions needed before construction. Recent submissions include structural and mechanical documents for state review, site and plat coordination with the City of Belle Plaine, and food service plans for health and safety review.

NEXT STEPS

- Contractors to submit questions and requests for product substitutions to the design team over the next few weeks
- Pre-bid walkthrough scheduled for later this month to give contractors a closer look at the building and project scope
- Final bids due in early November
