BELLE PLAINE PUBLIC SCHOOLS PROJECT PROGRESS REPORT

May 2026 Update

WHAT'S NEW?

Design work for the building exterior and interior finishes is nearing completion. The project team has also continued coordination with the City of Belle Plaine on project logistics and engineering-related planning to support the next phase of development.

PLANNING & DESIGN UPDATE

The design team recently met with staff from both the Middle/High School and Elementary School to gather feedback on the new learning spaces. Input from these conversations is helping finalize classroom locations and refine how spaces will function to best support students and staff.

NEXT STEPS

- » Final review of the auditorium design with staff and design consultants.
- » The District and engineering teams will continue coordination meetings related to building systems, technology infrastructure, and safety and security planning.
- » Follow-up review meetings with the City of Belle Plaine are planned as the team responds to initial feedback.
