# DRIVERS EDUCATION

## GENERAL INFORMATION:

Belle Plaine Community Ed provides classroom and behind-the-wheel drivers education instruction for students ages 14 and older. This class meets the 30-hour requirement to prepare for a learner's permit. Payment covers the 30-hour Classroom fee and 6-hours of Behind the Wheel.

### CLASSROOM INSTRUCTION: 30 HOURS

Classroom includes lecture, class discussion, videos, written work from the driver's manual and practice tests. Upon completion, students will be issued a blue card.  
Please bring school iPad to class each day.

### BEHIND-THE-WHEEL (BTW): 6 HOURS

Behind-the-Wheel allows students to practice driving on public streets and highways with an instructor. This is the required course students take after they have earned their learner's permit. Successful completion is required before a student can take their driver's examination.

### Attention Parents of Soon-to-Be Teen Drivers

Teen Driver Safety Parent Awareness-Point of Impact Meeting: Fall 2023

Do you know the real risks for teen drivers? Do you know the restrictions on new teen drivers? Can you cancel your teen's license? Learn the answers to these questions and more in this teen driver safety parent awareness class. Experts on young driver behaviors agree that involved parents make a difference in reducing crashes. This class will increase your awareness of the most common risks for teen drivers and teen driver laws. It will increase your understanding of the strong influence you can have on your teen's driving behavior. Don't miss this important opportunity to become aware of the risks your teen faces, and arm yourself with the ways you can keep them safe. Teens welcome too! Hosted by local driver education instructors and guest law enforcement speakers in partnership with the MN Department of Public Safety.

## RAISE THE BAR

WHY RAISE THE BAR FITNESS? Our fitness family believes we can do life better together! We understand that every person is unique, every goal is personal. We build healthy, happy humans by developing affordable, engaging workout communities. RTB workouts are full of variety, strength, CORE focused, sweaty, creative, and can be modified for all types of adult abilities and ages. Expect opportunities to lift weights, get your cardio fix and work with challenging equipment and fitness schemes that push everyone at their own pace. We do team challenges monthly, nutrition challenges that athletes can participate in and so much more to build our community, Belle Plaine Strong! This isn't a one time program or class, this is a true community that is being built to last! Classes never stop!

## INCIDENT AT OUR LADY OF PERPETUAL HELP A New Comedy by Katie Forgette

Take a trip back to 1973 with the Irish Catholic O'Shea family in the uproarious INCIDENT AT OUR LADY OF PERPETUAL HELP. This boisterous and moving new memory play introduces us to young Linda, as she recalls a week she'll never forget. When Linda's mother instructs her to tell her sister about the birds and the bees, things quickly snowball into a potential crisis after the conversation is overheard by the parish priest. Secrets are unintentionally revealed, and a quick-witting group of women realize what really matters as they work to protect their family reputation and each other.

# AQUATIC FACILITY

## SWIM LESSON COURSE DESCRIPTIONS

### **TINY TOTS** - For children ages 3 ½ – 4 years old

This class is for children with little swimming experience. Goal is to build up confidence and independence in the water. The children will experience blowing bubbles, kicking & floating.

### **LEVEL 1: INTRODUCTION TO WATER SKILLS** \* Must be 5 years old by the first day of class

Participants learn to feel comfortable in the water and enjoy the water safely. Fundamental aquatic skills are taught to develop good swimming habits and safe practices in and around the pool. Participants learn to:

- Blow bubbles and submerge face
- Float on front and back with support
- Swim on front and back with support
- Retrieve submerged object
- Basic water safety rules

### **LEVEL 2: FUNDAMENTAL AQUATIC SKILLS**

This level marks the beginning of true locomotion skills. Students are performing skills without support and developing arm and leg actions that lay the foundation for future strokes. Participants learn to:

- Submerge entire head
- Swim on front and back 5 body lengths
- Roll over front to back, back to front
- Float and glide on front and back
- Swim on front and back alternating arm action

### **LEVEL 3: STROKE DEVELOPMENT**

Increase proficiency and build on the aquatic skills learned in Level 2 by providing additional practice with increased distances and times. Participants learn to:

- Jump into deep water & tread water 30 seconds
- Rotary breathing
- Diving from a sitting and kneeling position
- Swim using the dolphin kick for 3-5 body lengths
- Front crawl, back crawl, elementary backstroke, sidestroke 15 yards

### **LEVEL 4: STROKE IMPROVEMENT**

Participants improve skills worked on in Level 3 and endurance for front crawl, back crawl, elementary backstroke, sidestroke and breaststroke. Participants learn to:

- Dive from a standing position
- Swim sidestroke, back crawl, breaststroke and butterfly 15 yards
- Perform open turns on front and back
- Perform a feet-first surface dive and swim underwater
- Swim front crawl and elementary backstroke for 25 yards each

### **LEVEL 5: STROKE REFINEMENT**

Participants refine their performance of all the strokes and increase distances. Participants learn to:

- Perform a long shallow dive
- Perform tuck and pike surface dives
- Perform flip turns
- Swim front crawl and elementary backstroke for 50 yards
- Swim butterfly, back crawl, breaststroke and sidestroke for 25 yards

### **LEVEL 6: SWIMMING AND SKILL PROFICIENCY**

Personal Water Safety, Lifeguard Readiness & Fitness Swimmer. Participants swim strokes with more ease, efficiency, power and smoothness over greater distances. Participants learn to:

- Compact jump
- Perform flip turns while swimming
- Rescue breathing
- Survival swimming/with rescue tube
- Care for conscious, choking victim/backboarding
- Swim front and back crawl for at least 100 yards
- Swim butterfly, elementary backstroke, breaststroke and sidestroke for 50 yards

### **JUNIOR LIFEGUARD: June 6 - 17 | 9:00 - 10:15 a.m.**

This course will teach water safety and introduce participants to the duties and responsibilities of a lifeguard; however, this course WILL NOT CERTIFY ANYONE TO BE A LIFEGUARD. It will build a foundation of knowledge, attitudes and skills preparation for the American Red Cross Lifeguarding course when the student turns 15 years of age. Must complete level 6 swim lessons.
