Payment

Kids Company billing cycle will be Monday – Friday, a credit card **MUST** be kept on file with Kids Company. Guardians are responsible for their Kids Co balance, accounts will be kept on www.belleplaineactivities.com. All accounts start as an automatic payment, which we take out every week. If you do not wish for your card to be run automatically you are responsible to keep your bill up to date. Kids Company **no longer accepts cash payments**. Bills exceeding \$200 will be asked to pay it off before the child will be allowed to attend.

Personal Belongings:

We ask that all necessary belongings be labeled including water bottles, lunch boxes, etc. We ask that you encourage your child not to bring any toys or personal belongings to school.

Children Schedule:

It is mandatory that you provide a planned schedule of when your child will attend Kids Co. If your child does not show up to Kids Co on a day they are scheduled to be attending a staff member will be calling to determine where your child is. We ask that you either email or call to let us know when your child will not be attending Kids Co if they are scheduled. We will not call parents if their child does not show up in the morning on days they are scheduled. All parents **must** fill out a children’s schedule form in order to have their child in Kids Co.

Eligibility:

Kids' Company and Wraparound is an inclusive program that makes reasonable accommodations to serve all children. We welcome children of any race, creed or religious affiliation. *All children must be potty trained in order to attend unless a disability prevents self-toileting.*

We will enroll children no matter their needs; however, to safely and adequately meet individual needs we reserve the right to develop an individual care plan. It is the parent’s responsibility to identify their child’s need so the program can determine their ability to accommodate the needs of your child. The

program reserves the right to have appropriate staffing in place to accommodate children who require an individual care plan that includes additional staffing. Occasionally Kids' Company may not be the best environment for a child. When three interventions have been attempted and integration has not been successful, the ability of our program to serve the individual will be evaluated by a leadership team.

Photos:

We do take pictures throughout the year of the children doing various activities. We post pictures around the Kids Co room and we may use some of the pictures for flyers and brochures. We do not use children's names. We do not use photos outside of the Kids Co room of individuals who request no pictures on their registration sheet.
